Mossward

Woodland photographs by Clifford Mayfield

In college, I used moss to study air pollution across West Virginia.
Today, I photograph moss and woodland details.

Licensing guide | USD

Single-property decor | $125 per image

Up to five decor copies at one named property for the life of those prints.
Production, framing, shipping, installation and tax are separate.

Web editorial | $99 per image

One named article on one publisher’s website for 12 months, with credit.
Quote print, syndication and promotional reuse separately.

Album art, murals and larger programs | Custom quote

Send the artwork IDs, intended use, sizes, counts, location and timing.

Licenses are nonexclusive. Copyright stays with Clifford Mayfield.
Production files follow a written agreement and payment.
